Surprise, AZ 85374

Welcome PHHS Students and Parents!

I hope all of you are enjoying summer break and relaxing before the start of the new school year.

All of us are looking forward to a terrific 2009-2010 year that will offer a continued safe learning environment, positive atmosphere, and engaging educational opportunities.

We have some very exciting changes this year beginning with our additional staff members. This year we will welcome our new guidance counselor Mr. Hughart who will assist students in planning for the remainder of their high school career and future goals. Students will also have the opportunity to take a variety of foreign languages as we welcome Mrs. Forrest our new Spanish and French teacher. Another change will be Mrs. Bradley who will be teaching regular education classes this year in addition to her role as a special education teacher. Lastly we will have some new faces in the front office as Miss Dawn will now be the administrative assistant for Dr. Schrader, the Executive Director, and myself. All will be terrific additions to our school community.

Along with our new classes being offered we have already started scheduling extracurricular events and some changes to lunches which will include local restaurants such as Church's chicken as an option. Sports have always been a topic of concern and we are in the process of securing events for this year. As of now cross country, tennis and volleyball are the most definite options and more information will be shared as it becomes available.

Be on the lookout for schedules and information for the upcoming school year that will be mailed to you after July 13<sup>th</sup>.

On behalf of all of us here at Paradise Honors High School we thank you for making Paradise Honors High School your school of choice and look forward to another great school year!

Have a safe and restful summer,

Tim Gonzales  
Principal, Paradise Honors High School
